SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS (SDVOSB) — SBA VetCert · Florida VBE · Active TS/SCI

COMPANY OVERVIEW

Vanguard Forge LLC is a Florida-based Service-Disabled Veteran-Owned Small Business delivering program and management support, training development and instructional systems, and operational planning to government agencies and their prime contractors. Founded and led by a retired U.S. Army Special Forces Operations Sergeant (E-8) with 24+ years of service, the firm pairs large-program management discipline with credentialed instructional-systems expertise — and scales through vetted teaming partners and subcontractors for domain depth and surge capacity.

CORE COMPETENCIES

- **Program & project management** — planning cycles, budget oversight, risk mitigation, and milestone/performance tracking for multi-million-dollar, multi-site programs
- **Training development & instructional systems design** — needs analysis, curriculum and course development, built-in assessments, evaluation-driven improvement
- **Training delivery & education support** — on-site and virtual instructor-led training, LMS administration, certificates, attendance and data reporting
- **Operational, logistics & emergency planning** — distributed coordination, scheduling, contingency and crisis planning, disaster preparedness and exercise support
- **Defense & security consulting** — operational advisory, partner-force training, interagency coordination, security systems and personnel support (cleared work supported)
- **Technical & IT-enabled delivery** — systems design, custom programming, and IT-enabled program support through vetted technical partners
- **Leadership & executive development** — coaching and workshops built on the Vanguard Operating System framework

DIFFERENTIATORS

- **24+ years U.S. Army Special Forces** — planned and led complex, high-stakes operations and multinational training programs across multiple combatant commands
- **Active TS/SCI clearance** — ready for cleared, sensitive, and defense engagements without delay
- **Proven program scale** — managed a \$28M multinational defense program end-to-end
- **Credentialed course builder** — Army Basic Instructor (SQI-8), Small Group Instructor, Training Developers Course, and Instructor Evaluation qualified
- **Financial stability** — structured to absorb 30–90+ day government payment cycles without disruption; government purchase cards accepted
- **Prime-plus-partner model** — SDVOSB prime discipline combined with vetted subject-matter subcontractors for surge capacity

REPRESENTATIVE EXPERIENCE (FOUNDER RECORD)

- **\$28M multinational maritime special-operations training program** — directed equipment procurement, international logistics, and financial management over two years while serving as senior tactical instructor
- **U.S. Army JFK Special Warfare Center & School** — developed, delivered, and evaluated curriculum; led small-group instruction; fielded the Army Learning Model via mobile training teams
- **Intelligence & operational planning** — SF Intelligence Sergeant (18F); advanced reconnaissance, target analysis, and exploitation; multiple combat deployments (Iraq, Afghanistan)
